## Rosso Toscana IGT

The embodiment of the project, whose name it bears, Petra tells timeless tales with new words.

The grapes, mostly cabernet sauvignon with some merlot, are grown on calcareous soils with a good balance of clay and rocky backbone. Ideal soils, well-suited to the varieties grown on them but most of all able to transmit their distinctive characteristics.

Ruby red colour with garnet highlights. Very rich and aromatic on the nose, with intense and powerful notes of wild berries, black cherry jam, rosemary, burnt wood, tobacco; then balsamic mint, spicy cinnamon and pepper to wrap up. Lush, full-bodied and elegant in taste, with good structure and power. Velvety tannins, well-integrated in a design that is fresh and with an aristocratic sapidity. Persistent, consistent aftertaste, with spicy and balsamic finish.

Lovely aromas of blackcurrants, black cherries, spearmint and sage. Medium to full body with very fine tannins. The length is fantastic. Racy. Focused and tight. Needs three or four years to come together.

Currants, red currants, spice, earth and bark. Hints of sandalwood. Medium to full body, with very fine tannins and a brightness and focus. Racy and refined. Long length. Cabernet sauvignon, cabernet franc and merlot. Best wine ever from here. Drink after 2026

An elegant blend of cabernet sauvignon, merlot and cabernet franc that has plenty of red and black fruit aromas and flavors, balanced acidity and very fine tannins that together give the wine class and length. Not overly complex, but there's a lovely balanced and refined feel to this. Drink or hold.

This Bordeaux-style Tuscan red has a peppery, herbaceous nose, with spices, pencil lead and a hint of sour cherry. The palate is more cherry, now Bing, and dark with dried figs, raisins and chocolate. Herbs reappear on a lengthy, integrated finish.

Fresh and lively, offering black currant, olive, iron, tobacco and wild herb flavors. Focused by vibrant acidity, with smooth tannins and an aftertaste that echoes the fruit. Balanced and ready to enjoy. Cabernet Sauvignon, Merlot and Cabernet Franc. Drink now through 2030. 3,166 cases made, 300 cases imported.
