

Caiatì

Located on a plateau naturally surrounded by an amphitheater of hills, not far from the inactive volcano of Roccamonfina, from the Massive of Matese and the volcano Vesuvius, the Audelino vineyard enjoys the positive influence of the weather thanks to the elevated thermal inversion and to the ventilation, optimal elements during the maturation of the grapes.

VINTAGE 2024

Wine Enthusiast – 90

The nose billows with warm, playful aromas of lemon, honey, hay, straw, toasted oats and barley, while the palate contrasts with an initial blast of salt, before more toasty grain notes, apples and pears re-emerge underneath to create a balanced, cohesive wine.

VINTAGE 2023

James Suckling – 90

A bright, medium- to full-bodied white that has notes of papaya, persimmon and minerals. Clean and pristine. Drink now.
